

The Bayeux Tapestry

Angela Renzi © 2014

Put the events into the right order

-
- William becomes king of England
-
- William's Norman cavalry faces Harold's English soldiers

- William leads his army to the boats and they cross the channel

- William's men prepare for the invasion

- The soldiers take food, drinks and weapons to the boats

- The boats reach the south coast of England

- William decides to attack England

- Normans kill Harold with an arrow in his eye

- Edward III dies

-
- Bishop Odo waves a club because bishops cannot shed blood with words

-
- Harold becomes king of England
