

Decide what you will or won't in the future

will:

You will have a nice job
You will earn a lot of money
You will move from the place where you live
You will buy a big car
You will have a big house
You will have a dog
You will go to university
You will travel a lot
You will pass all the exams
You will have a lot of free time
You will move abroad
You will buy an iPad
You will learn another language
You will play an instrument
You will be a manager
You will be a teacher
You will smoke

won't:

You won't have a job you love
You won't earn a lot of money
You won't move from the place where you live
You won't buy a big car
You won't have a big house
You won't have a dog
You won't go to university
You won't travel a lot
You won't pass all the exams
You won't have a lot of free time
You won't move abroad
You won't buy an iPad
You won't learn another language
You won't play an instrument
You won't be a manager
You won't be a teacher
You won't smoke
